Sir:

Upon receipt of a Notice of Allowance for this case, Applicants noticed a mistake in the title which as originally submitted as "Parallel Phase-Sensitive Three-Dimensional Imaging Camera" but on the Notice of Allowance is listed as "Parallei Phase-Sensitive Three Dimensional Imaging Camera" (i.e. "Parallei" has been incorrectly substituted for "Parallel"). Applicants therefore submit this Amendment After Allowance to correct the title which appears to be a mistake on the part of the Office. Entry of this amendment is respectfully requested.
